WE ARE SAFE & GREEN

For our Active family, the communities we service, the teammates we work with and the loved ones we go home to, personal safety is paramount.

SUPPORTING OUR COMMUNITIES

The Active team takes great pride in our business, communities and the work we do for our clients. We also take considerable pride in the fact that 10% of our profits go to charitable endeavours via the ATS Charitable Trust. Active are also a proud member of Arboriculture Australia.

DID YOU KNOW? Australia has some of the tallest trees in the world reaching to around 393ft. Eucalyptus trees are often a favourite amongst our climbers and there are about 900 species of eucalypts across Australia.

OUR TEAM

Active people are bound by a common purpose and lived values that make Active a great place to work. We work in small teams, often in remote and beautiful locations and almost always outdoors.

HELPING YOU MAKE THE MOVE

MEET JACOB (FROM GLOUCESTERSHIRE, UK)

Active worked closely with Jacob and his family to streamline their move from the UK.

MAKING AUSTRALIA A REALITY

- We understand relocating can be a big step. While we may not always offer sponsorship, we welcome climbers with a Working Holiday Visa (WHV) and are committed to providing support throughout your transition.
- If you are unsure which visa is right for you or how to get started, visit our website at active.com.au/join-us to get in touch with our team.
- Don't miss out on this incredible opportunity to combine work and adventure!

Active supported and helped me with making Australia my new home. I enjoy surfing and beach life. Australia sure has some of the best beaches in the world. It's been great working with such a supportive team, great equipment and great trees!
